PLAN OF ARRANGEMENT INVOLVING EXETER RESOURCE CORPORATION,
ITS SHAREHOLDERS AND EXTORRE GOLD MINES LIMITED**

Dated February 6, 2010

February 6, 2010

Dear Shareholders,

The directors of Exeter Resource Corporation (the “**Company**”) cordially invite you to attend the special meeting (the “**Meeting**”) of the shareholders of the Company (the “**Shareholders**”) to be held at AXA Place, Suite 1260, 999 West Hastings Street, Vancouver, British Columbia V6C 2W2, at 3:00 p.m. (Vancouver time) on March 11, 2010.

At the Meeting, Shareholders will be asked to pass a special resolution approving a statutory plan of arrangement (the “**Arrangement**”). The Arrangement involves, among other things, the distribution of common shares (the “**Newco Common Shares**”) of Extorre Gold Mines Limited (“**Newco**”), being an entity recently incorporated by the Company, to our Shareholders such that on the effective date of the Arrangement, each Shareholder will hold one new common share of the Company and one Newco Common Share for each common share of the Company held on the effective date of the Arrangement.

Upon completion of the Arrangement, Newco will hold all of the Company’s interest in our Cerro Moro and Don Sixto properties, located in Argentina, and will focus on the development of the Cerro Moro project. Meanwhile, the Company will continue to hold and focus on the development of our Caspiche project, located in northern Chile. Detailed information in respect of matters contemplated by the Arrangement is set out in the attached Information Circular and documents incorporated by reference therein. You should carefully consider all of the information in the Information Circular and consult your financial, legal or other professional advisors if you require assistance.

The board of directors of the Company has unanimously approved the Arrangement and recommends that Shareholders vote in favour of the special resolution approving the Arrangement.

To be effective, the Arrangement must be approved by a special resolution passed by at least two-thirds of the votes cast by holders of issued and outstanding common shares of the Company present in person or represented by proxy at the Meeting, which holders are entitled to one vote for each common share held. The officers and directors of the Company, holding in the aggregate approximately 7.4% of the issued and outstanding common shares, have indicated their support for the Arrangement.

Your vote is important regardless of the number of common shares of the Company that you own. If you are a registered holder of common shares, we encourage you to take the time now to complete, sign, date and return the enclosed form of proxy by no later than 3:00 p.m. (Vancouver time) on March 9, 2010, to ensure that your shares are voted at the meeting in accordance with your instructions, whether or not you are able to attend in person. If you hold your shares through a broker or other intermediary, you should follow the instructions provided by your broker or other intermediary to vote your shares.

We would like to thank all Shareholders for their support as we proceed with this important step towards the advancement of our projects.

Sincerely,

“Yale R. Simpson”

The Arrangement will occur by statutory plan of arrangement under section 288 of the BCBCA involving the Company, the Shareholders and Newco. The principal features of the Arrangement are summarized below, and the following is qualified in its entirety by reference to the full text of the Arrangement Agreement.

Background to the Arrangement

In 2009, management of the Company undertook a strategic review of the alternatives available to improve the identification and valuation of the Company’s key assets and thereby maximize shareholder value. Based on this review, management determined that it would be in the best interest of the Company to separate the Company’s assets in Argentina and Chile into two separate companies, to enable the market to more accurately reflect the value of each of the Company’s main mineral property assets of Caspiche in Chile and Cerro Moro in Argentina.

On December 21, 2009, the Company incorporated Newco. On February 5, 2010, the Company and Newco entered into the Arrangement Agreement.

See “*Particulars of Matters to be Acted Upon: The Arrangement – Background to the Arrangement*”.

ARTICLE 4 RIGHTS OF DISSENT

4.1 Rights of Dissent

- (a) Holders of Common Shares may exercise rights of dissent in connection with the Arrangement with respect to their Common Shares pursuant to and in the manner set forth in Part 8 - Division 2 of the Act as modified by the Interim Order and this section 4.1 (the “**Dissent Rights**”), provided that, notwithstanding subsection 242 of the Act, the written objection contemplated by subsection 242(2) of the Act must be received by the Company not later than 4:00 p.m. (Vancouver time) on the date which is two Business Days immediately preceding the Meeting.
- (b) Holders of Common Shares who duly exercise Dissent Rights and who are ultimately entitled to be paid fair value for their Common Shares shall be deemed to have irrevocably transferred their Common Shares to the Company, without any further authorization, act or formality and free and clear of all liens, charges, claims and encumbrances and immediately thereafter such Common Shares will be, and will be deemed to be, cancelled and the former holders of such Common Shares shall cease to have any rights as former holders of Common Shares other than their right to be paid fair value for their Common Shares.
- (c) Shareholders who exercise, or purport to exercise, Dissent Rights, and who are ultimately determined not to be entitled, for any reason, to be paid fair value for their Common Shares, shall be deemed to have participated in the Arrangement on the same basis as any non-Dissenting Shareholder as at and from the Effective Time and shall receive, and be entitled to receive, only the consideration for each Common Share on the basis set forth in Article 3.

4.2 Holders

In no circumstances shall the Company, Newco or any other Person be required to recognize a Person exercising Dissent Rights unless such Person is a registered holder of the Common Shares in respect of which such Dissent Rights are sought to be exercised, or is a beneficial holder of such Common Shares and complies with the dissent procedures set forth in Division 2 - Part 8 of the Act as may be modified by the Interim Order.

4.3 Recognition of Dissenting Shareholders

Neither the Company, Newco nor any other Person shall be required to recognize a Dissenting Shareholder as a registered or beneficial owner of Common Shares at or after the Effective Time, and at the Effective Time the names of such Dissenting Shareholders shall be deleted from the register of holders of Common Shares maintained by or on behalf of the Company.

4.4 Dissent Right Availability

A Shareholder is not entitled to exercise Dissent Rights with respect to Common Shares if such holder votes (or instructs, or is deemed, by submission of any incomplete proxy, to have instructed his, her or its proxyholder, to vote) or in the case of a beneficial holder caused, or is deemed to have caused, the registered shareholder to vote, in favour of the Arrangement at the Meeting.

4.5 Reservation of Newco Common Shares

If a Shareholder exercises the Dissent Right, the Company shall on the Effective Date set aside and not distribute that portion of Newco Common Shares, which are attributable to the Class A Shares for which Dissent Rights have been exercised. If a Shareholder exercises the Dissent Right, but, does not properly comply with the dissent procedures or, subsequent to giving his or her notice of dissent, acts inconsistently with such dissent, then the Company shall distribute to such Shareholder his or her pro rata portion of the Newco Common Shares. If a Shareholder duly complies with the dissent procedures, then the Company shall retain the portion of Newco Common Shares attributable to such Shareholder (the “**Non-Distributed Shares**”), and the Non-Distributed Shares will be dealt with as determined by the board of directors of the Company in its discretion.

ARTICLE 5 CERTIFICATES AND DOCUMENTATION

5.1 Class A Share Certificates

Recognizing that the common shares of the Company issued and outstanding prior to the Effective Time will be redesignated the “Class A Shares” and that they will be cancelled upon the exchange of the Class A Shares for the New Common Shares and Class B Shares, the Company will not issue any new share certificates representing the Class A Shares.

From and after the Effective Time, share certificates representing Class A Shares not deemed to have been cancelled pursuant to Article 4 shall for all purposes be deemed to be share certificates representing New Common Shares and no new share certificates shall be issued with respect to the New Common Shares issued in connection with the Arrangement. Any Class A Shares traded after the Effective Time will represent New Common Shares as of the Effective Date and shall not carry any rights to receive Newco Common Shares.

5.5 Newco Common Share Certificates

As soon as practicable after the Effective Time, Newco shall cause to be issued to the registered holders of Newco Common Shares at the Effective Time on the Effective Date, share certificates representing the number of the Newco Common Shares to which such holders are entitled following the Effective Date and shall cause such certificates to be delivered or mailed to such holders in accordance with the terms hereof.

5.6 Newco Options

A holder of Options at the Effective Time shall be entitled to receive a certificate or other instrument representing the Newco Options to which such holder is entitled as soon as practical after the Effective Date upon delivery to the Company of such documents and instruments as the Company may reasonably require. - (b) Any amendment, variation or supplement to this Plan of Arrangement may be proposed by the Company at any time prior to or at the Meeting without any other prior notice or communication and, if so proposed and accepted by the Persons voting at the Meeting, will become part of this Plan of Arrangement for all purposes;
- (c) Any amendment, variation or supplement to this Plan of Arrangement which is approved or directed by the Court following the Meeting will be effective only if it is consented to by the Company and Newco;
- (d) Any amendment, variation or supplement to this Plan of Arrangement may be made following the Effective Time on the Effective Date unilaterally by the Company, provided that it concerns a matter which, in the reasonable opinion of Company, is of an administrative nature required to better give effect to the implementation of this Plan of Arrangement and is not adverse to the financial or economic interests of any holder of shares of the Company or Newco; and

- (e) This Plan of Arrangement may be withdrawn by the Company prior to the Effective Time.

PART 28

After payment to the holders of the Class B Shares of the amounts so payable to them, they shall not be entitled to share in any further distribution of the property and assets of the Company.

29.4 Adjustments to Redemption Price of the Class B Shares.

(a) In this Part:

- (i) “**Affected Parties**” means collectively the Company and the person or persons against whom an Authority issues or proposes to issue an Assessment;
- (ii) “**Aggregate Redemption Price**” means the Redemption Price of a Class B Share plus all accrued and unpaid dividends thereon;
- (iii) “**Assessment**” means an assessment or reassessment by an Authority with respect to the issuance of the Class B Shares that imposes or would impose a liability for tax on the basis of a determination or assumption that the fair market value of the Assets (as at the Effective Date) received as consideration for the issuance of the Class B Shares, less the value of any other consideration paid by the Company for such Assets, is different than the fair market value of the Class B Shares issued therefor;
- (iv) “**Assets**” means, with respect to the Class B Shares, the asset or assets which the Company purchased from the Vendors in consideration for the issuance of the Class B Shares;
- (v) “**Authority**” means the Federal Minister of National Revenue, Canada Revenue Agency or other competent taxing authority;
- (vi) “**Effective Date**” means, with respect to the Class B Shares, the day on which the Company purchased the Assets from the Vendors;
- (vii) “**Redemption Price**” means with respect to a Class B Share, the amount per share which is determined by the Directors to be equal to the amount obtained when the difference

between the aggregate fair market value of the assets received by the Company as consideration for the issuance of such Class B Shares and the value of any non-share consideration paid by the Company as partial or total consideration for such assets is divided by the total number of Class B Shares issued as consideration for such assets; provided that the Redemption Price of the Class B Shares shall be subject to adjustment in accordance with this Part; and

(viii) “**Vendors**” means the shareholder or shareholders to whom Class B Shares were issued as partial or total consideration for the Assets, any one of whom is a “**Vendor**”.

(b) If at any time or from time to time after the Effective Date:

(i) an Authority proposes to issue or issues an Assessment and the fair market value of the Assets or the fair market value of the Class B Shares assumed therein is accepted as correct by the Affected Parties; or

(ii) the Assessment is disputed and a final settlement is reached with the Authority by the Affected Parties as to the fair market value of the Assets or the fair market value of the Class B Shares; or

(iii) a court of competent jurisdiction determines that the fair market value of the Assets was different than the fair market value of the Class B Shares as at the Effective Date and no appeal from such determination has been filed and the relevant appeal period has expired; or

(iv) a Vendor or the Company informs the other in writing that the fair market value of the Assets was different than the fair market value of the Class B Shares as at the Effective Date and the Vendors and the Company agree that such different amount is correct,

then the fair market value of the Assets or of the Class B Shares, as the case may be, shall be deemed to be the value so determined and the Redemption Price of the Class B Shares shall be increased or decreased so that the fair market value of the Class B Shares shall be equal to the fair market value of the Assets, less the value of any other consideration paid by the Company for the Assets.

(c) If some or all of the Class B Shares issued to the Vendors have been redeemed by the Company prior to the date of a downward adjustment of the then Redemption Price of the Class B Shares, the shareholder who held such shares at the time of their redemption shall forthwith pay to the Company, for each such Class B Share so redeemed, an amount equal to the difference between the Redemption Price of the Class B Shares at the time of redemption and the Redemption Price of the Class B Shares so adjusted. Such shareholder and the Company may agree that the total amount so payable to the Company may be paid by a corresponding downward adjustment of the Redemption Price of the Class B Shares of any remaining Class B Shares held by such shareholder or in cash or by the assumption or issuance of debt or any combination thereof.

(d) If some or all of the Class B Shares issued to the Vendors have been redeemed by the Company prior to the date of an upward adjustment of the then Redemption Price of the Class B Shares, the Company shall forthwith pay to the shareholder who held such shares at the time of their redemption, for each such Class B Share so redeemed, an amount equal to the difference between the Redemption Price of the Class B Shares at the time of redemption and the Redemption Price of the Class B Shares so adjusted. Such shareholder and the Company may agree that the Company may pay the total amount so payable by a corresponding upward adjustment of the Redemption Price of the Class B Shares of any remaining Class B Shares held by such shareholder or in cash or by the assumption or issuance of debt.

- (e) The holders of Class B Shares from time to time on which dividends were declared in an amount stated to have been determined in relation to the Redemption Price of the Class B Shares shall repay to the Company an amount in cash equal to the amount of the excess dividends declared on such holder's shares before the date of a downward adjustment of the Redemption Price of the Class B Shares. The Company shall pay to the holders of Class B Shares from time to time on which dividends were declared in an amount stated to have been determined in relation to the Redemption Price of the Class B Shares an amount in cash equal to the deficiency in the amount of the dividends declared on such holder's shares before the date of an upward adjustment of the Redemption Price of the Class B Shares.
- (f) Any adjustments pursuant to the foregoing provisions shall be retroactive *nunc pro tunc* to the date of the issuance of the Class B Shares and to the date of the first and each subsequent redemption of Class B Shares.

29.5 Redeemable by the Company.

- (a) The Company may, upon giving notice as provided herein, redeem at any time the whole, or from time to time, any part of the Class B Shares then outstanding on payment of the Aggregate Redemption Price for each share to be redeemed.
- (b) If only part of the Class B Shares is at any time to be redeemed, the shares to be redeemed shall be selected by the Directors in their absolute discretion and need not be redeemed pro rata based on the shareholdings of such class.
- (c) If the Company desires to redeem all or any part of the Class B Shares, the Company shall before the date specified for redemption (the "**Redemption Date**"), mail to each person who, at the date of mailing, is a registered holder of the Class B Shares to be redeemed a written notice (the "**Redemption Notice**") thereof.
- (d) The Redemption Notice shall be forwarded by registered, certified or first class mail, postage prepaid and addressed to each such holder at the holder's address as it appears on the books of the Company. If the address of any such holder does not appear on the books of the Company, the Redemption Notice shall be mailed to the last known address of such holder. The accidental failure to mail the Redemption Notice to one or more such holders shall not affect the validity of the redemption.
- (e) The Redemption Notice shall set out the Aggregate Redemption Price, the Redemption Date and, if only part of the Class B Shares held by such holder is to be redeemed, the number thereof so to be redeemed.
- (f) On the Redemption Date, the Company shall pay, or cause to be paid, to or to the order of the registered holders of the Class B Shares to be redeemed, the Aggregate Redemption Price for each such share on presentation and surrender, at the Registered Office of the Company or any other place(s) in British Columbia designated in the Redemption Notice, of the certificate(s) for the Class B Shares called for redemption. Such Class B Shares shall thereupon be deemed to be redeemed and shall be cancelled.
- (g) If a part only of the shares represented by any certificate are redeemed, a new certificate for the balance shall be issued at the expense of the Company.
- (h) Payment of the Aggregate Redemption Price (less any amount required by law to be withheld by the Company) for the Class B Shares to be redeemed shall be made as determined by the Directors including by cheque payable to the holder thereof at par at any branch of the Company's bankers in Canada. Such payment and cheque shall discharge all liability of the Company for the

Aggregate Redemption Price, to the extent of the amount represented thereby, unless such cheque is not paid on due presentation.

- (i) From and after the Redemption Date the Class B Shares called for redemption shall cease to be entitled to receive dividends (as applicable) and shall not be entitled to exercise any of the rights of shareholders in respect thereof unless payment of the Aggregate Redemption Price shall not be made upon presentation of certificate(s) in accordance with the foregoing provisions, in which case the rights of the holders shall remain unaffected.
- (j) The Company shall have the right, at any time on or after the date of the mailing of the Redemption Notice, to deposit the Aggregate Redemption Price of the Class B Shares called for redemption, or of such of the Class B Shares which are represented by certificate(s) which have not at the date of such deposit been surrendered by the holders in connection with such redemption, to a special account maintained by the Company with any chartered bank or trust Company in British Columbia designated by the Company in the Redemption Notice (the “**Trustee**”) to be paid without interest to or to the order of the respective holders of such Class B Shares called for redemption upon presentation and surrender to the Trustee of the certificate(s) representing such shares. Upon such deposit being made, the Class B Shares in respect of which such deposit shall have been made shall thereupon be deemed to be redeemed and shall be cancelled. The rights of the holders thereof after such deposit shall be limited to receiving without interest their proportionate part of the total amount so deposited against presentation and surrender to the Trustee of the certificate(s) representing the Class B Shares to be redeemed. Any interest allowed on any such deposit shall belong to the Company.
- (k) Notwithstanding the foregoing, the holders of the Class B Shares to be redeemed may waive notice of any such redemption by written instrument(s).
- (l) Notwithstanding anything contained in this Part, the Company shall be under no obligation to redeem any Class B Shares to the extent that such redemption would, in the reasonable opinion of the Directors, be in violation of the laws of the Province of British Columbia or any other applicable law.
- (m) Any redemption monies that are represented by a cheque which has not been presented to the Company’s bankers for payment or that otherwise remains unclaimed (including monies held on deposit to a special account) for a period of six years from the Redemption Date shall be forfeited to the Company.

29.6 Retractable by the Holder.

- (a) Any holder of Class B Shares may, at the holder’s option, at any time after giving notice as provided herein, require the Company to redeem at any time the whole or from time to time any part of the Class B Shares held by the holder by payment of the Aggregate Redemption Price for each share to be redeemed.
- (b) If a holder of Class B Shares desires the Company to redeem any of the holder’s Class B Shares, the holder shall, at least 60 days before the date specified for redemption (the “**Retraction Date**”), give to the Company, at its Registered Office, written notice thereof (the “**Retraction Notice**”).
- (c) The Retraction Notice shall set out the Retraction Date and, if only part of the Class B Shares held by such shareholder is to be redeemed, the number thereof so to be redeemed.
- (d) On the Retraction Date, the Company shall pay or cause to be paid, to the order of the registered holder of the Class B Shares to be redeemed, the Aggregate Redemption Price for each such share, on presentation and surrender at the Registered Office of the Company of the certificate(s) for such shareholder’s Class B Shares to be redeemed.

- (e) Payment of the Aggregate Redemption Price (less any amount required by law to be withheld by the Company) for the Class B Shares to be redeemed shall be made as determined by the Directors including by cheque payable to the holder thereof at par at any branch of the Company's bankers in Canada. Such payment and cheque shall discharge all liability of the Company for the Aggregate Redemption Price, to the extent of the amount represented thereby, unless such cheque is not paid on due presentation. Such Class B Shares shall thereupon be deemed to be redeemed and shall be cancelled.
- (f) From and after the Retraction Date, the Class B Shares so redeemed shall cease to be entitled to receive dividends (as applicable) and shall not be entitled to exercise any of the rights of shareholders in respect thereof unless payment of the Aggregate Redemption Price shall not be made upon presentation of certificate(s) in accordance with the foregoing provisions, in which case the rights of the holder shall remain unaffected.
- (g) If a part only of the shares represented by any certificate are redeemed, a new certificate for the balance shall be issued at the expense of the Company.
- (h) If a holder of Class B Shares gives a Retraction Notice but fails to present the certificate(s) for such holder's Class B Shares to be redeemed on the Retraction Date, the Retraction Notice given by such holder shall be null and void and the Company shall have no obligation to make the redemption called for in the Retraction Notice. Notwithstanding the foregoing, the Company shall have the right to proceed with the redemption notwithstanding such failure. If the Company elects to proceed, the Company shall deposit the Aggregate Redemption Price for the Class B Shares to be redeemed in a special account maintained by the Company with a Trustee, to be paid without interest to or to the order of the holder of such Class B Shares upon presentation and surrender to the Trustee of the certificate(s) representing such shares. Upon such deposit being made, the Class B Shares in respect of which such deposit shall have been made shall thereupon be deemed to be redeemed and shall be cancelled. The rights of the holder thereof after such deposit shall be limited to receiving without interest the amount so deposited against presentation and surrender to the Trustee of the certificate(s) representing the Class B Shares to be redeemed. Any interest allowed on any such deposit shall belong to the Company.
- (i) If the Company shall fail to redeem any Class B Shares required to be redeemed by it within 30 days of the Retraction Date, then until such time as the Company shall have redeemed all such shares so called for redemption, the dividend payable to the holders of the Class B Shares to be redeemed shall thereafter be preferential and cumulative computed from the Retraction Date.
- (j) Notwithstanding anything contained in this Part, the Company shall be under no obligation to redeem any Class B Shares to the extent that such redemption would, in the reasonable opinion of the Directors, be in violation of the laws of the Province of British Columbia or any other applicable law.
- (k) Any redemption monies that are represented by a cheque which has not been presented to the Company's bankers for payment or that otherwise remains unclaimed (including monies held on deposit to a special account) for a period of six years from the Retraction Date shall be forfeited to the Company.

29.7 Specified Amount.

For purposes of subsection 191(4) of the *Income Tax Act* (Canada), the specified amount in respect of the Class B Shares shall be equal to the Redemption Price, which shall be determined by the Directors at the time of the issuance of the Class B shares.

3.05 Scrutineers

The chair of a meeting of shareholders may appoint for that meeting 1 or more scrutineers, who need not be voting persons.

A meeting of the shareholders called by either the directors or the shareholders may be held entirely by means of such a telephonic, electronic or other communications facility that permits all participants to communicate adequately which each other during the meeting if the directors or shareholders calling the meeting so determine.

3.08 Adjournments

4.07 Interest Fractions

No dividend or other distribution shall bear interest against the Corporation. Where the dividend or other distribution to which a shareholder is entitled includes a fraction of a cent, such fraction shall be disregarded and such payment shall be deemed payment in full.

4.08 Fractional Security or Property

If any dividend or other distribution results in any shareholder being entitled to a fractional part of a security or property, the Corporation may pay such shareholder in place of that fractional part the cash equivalent thereof as determined by the board or may carry out the distribution and adjust the rights of the shareholders on any basis the board considers appropriate.

No other consideration will be received by any holder of the Class A Shares. The Company will not file a joint election under subsection 85(1) of the Tax Act with any holder of Class A Shares in respect of this share exchange.

The aggregate stated capital of the New Common Shares and Class B Shares will not exceed the paid-up capital of the Class A Shares immediately before the exchange and will be determined based on the proportion that the fair market value of the New Common Shares or the Class B Shares, as the case may be, is of the fair market value of all New Common Shares and Class B Shares issued on the exchange.

Each Shareholder shall be deemed to cease to be the holder of the Class A Shares so exchanged, shall cease to have any rights with respect to such Class A Shares and shall be deemed to be the holder of the number of New Common Shares and Class B Shares issued to such Shareholder. The name of such Shareholder shall be removed from the central securities register for Class A Shares in respect of the Class A Shares so exchanged and shall be added to the central securities register of the New Common Shares and the Class B Shares, respectively, so issued to such Shareholder; each holder of the Class A Shares thereof shall be deemed to have executed and delivered all consents, releases, assignments and waivers, statutory or otherwise, required to exchange such shares as described above;

Furthermore, each outstanding Option shall be adjusted such that the holder will be entitled to receive, upon exercise of the Option, that number of New Common Shares that is equal to the number of Common Shares that were issuable upon exercise of the Option immediately prior to the Effective Time, at the Adjusted Exercise Price;
- (g) each Warrantholder shall be granted a Newco Warrant for every Warrant held thereby. Each holder of a Newco Warrant will be entitled to receive, upon exercise of the Newco Warrant, that number of Newco Common Shares that is equal to the number of Common Shares that were issuable upon exercise of the related Warrant immediately prior to the Effective Time, at the Adjusted Exercise Price. Furthermore, each Warrantholder shall be granted a New Warrant in exchange for each Warrant held thereby, each New Warrant entitling the holder to receive, upon exercise of the New Warrant, that number of New Common Shares that is equal to the number of Common Shares that were issuable upon exercise of the related Warrant immediately prior to the Effective Time, at the Adjusted Exercise Price. Save and except as otherwise agreed to by the Company and the Warranholders, the term to expiry, conditions to and manner of exercising, the status under applicable laws, and all other terms and conditions of the New Warrants and the Newco Warrants will otherwise be unchanged from those contained in or otherwise applicable to the related Warrant;
- (h) each holder of Class B Shares will be deemed to transfer, with good and marketable title free and clear of all encumbrances, all such shares to Newco and shall cease to have any rights with respect to such Class B Shares. The agreed amount in respect of such transfer will be an amount that will not exceed the fair market value of the Transferred Assets so transferred by the Company and not less than the Company's cost of the Transferred Assets under the Tax Act.

The addition to the stated capital in respect of the Newco Preferred Share issued by Newco as consideration of the transfer of the Transferred Assets will be the aggregate of the agreed amount under subsection 85(1) in respect of such transfer, less the fair market value of the Newco Option Commitment;

- (j) the Company will purchase for cancellation the Class B Shares held by Newco in consideration for the issuance by the Company to Newco of the Company Note having a principal amount and fair market value equal to the aggregate fair market value of the Class B Shares purchased for cancellation. The repurchased Class B Shares shall be cancelled and the appropriate entry made on the central securities register for the Class B Shares;

The redeemed Newco Preferred Share shall be cancelled and the appropriate entry made on the central securities register for the Newco Preferred Share;

- (vi) “**Effective Date**” means, with respect to the Class B Shares, the day on which the Company purchased the Assets from the Vendors;
- (vii) “**Redemption Price**” means with respect to a Class B Share, the amount per share which is determined by the Directors to be equal to the amount obtained when the difference

between the aggregate fair market value of the assets received by the Company as consideration for the issuance of such Class B Shares and the value of any non-share consideration paid by the Company as partial or total consideration for such assets is divided by the total number of Class B Shares issued as consideration for such assets; provided that the Redemption Price of the Class B Shares shall be subject to adjustment in accordance with this Part; and

(viii) “**Vendors**” means the shareholder or shareholders to whom Class B Shares were issued as partial or total consideration for the Assets, any one of whom is a “**Vendor**”.

(b) If at any time or from time to time after the Effective Date:

(i) an Authority proposes to issue or issues an Assessment and the fair market value of the Assets or the fair market value of the Class B Shares assumed therein is accepted as correct by the Affected Parties; or

(ii) the Assessment is disputed and a final settlement is reached with the Authority by the Affected Parties as to the fair market value of the Assets or the fair market value of the Class B Shares; or

(iii) a court of competent jurisdiction determines that the fair market value of the Assets was different than the fair market value of the Class B Shares as at the Effective Date and no appeal from such determination has been filed and the relevant appeal period has expired; or

(iv) a Vendor or the Company informs the other in writing that the fair market value of the Assets was different than the fair market value of the Class B Shares as at the Effective Date and the Vendors and the Company agree that such different amount is correct,

then the fair market value of the Assets or of the Class B Shares, as the case may be, shall be deemed to be the value so determined and the Redemption Price of the Class B Shares shall be increased or decreased so that the fair market value of the Class B Shares shall be equal to the fair market value of the Assets, less the value of any other consideration paid by the Company for the Assets.

(c) If some or all of the Class B Shares issued to the Vendors have been redeemed by the Company prior to the date of a downward adjustment of the then Redemption Price of the Class B Shares, the shareholder who held such shares at the time of their redemption shall forthwith pay to the Company, for each such Class B Share so redeemed, an amount equal to the difference between the Redemption Price of the Class B Shares at the time of redemption and the Redemption Price of the Class B Shares so adjusted. Such shareholder and the Company may agree that the total amount so payable to the Company may be paid by a corresponding downward adjustment of the Redemption Price of the Class B Shares of any remaining Class B Shares held by such shareholder or in cash or by the assumption or issuance of debt or any combination thereof.

(d) If some or all of the Class B Shares issued to the Vendors have been redeemed by the Company prior to the date of an upward adjustment of the then Redemption Price of the Class B Shares, the Company shall forthwith pay to the shareholder who held such shares at the time of their redemption, for each such Class B Share so redeemed, an amount equal to the difference between the Redemption Price of the Class B Shares at the time of redemption and the Redemption Price of the Class B Shares so adjusted. Such shareholder and the Company may agree that the Company may pay the total amount so payable by a corresponding upward adjustment of the Redemption Price of the Class B Shares of any remaining Class B Shares held by such shareholder or in cash or by the assumption or issuance of debt.

- (e) The holders of Class B Shares from time to time on which dividends were declared in an amount stated to have been determined in relation to the Redemption Price of the Class B Shares shall repay to the Company an amount in cash equal to the amount of the excess dividends declared on such holder's shares before the date of a downward adjustment of the Redemption Price of the Class B Shares. The Company shall pay to the holders of Class B Shares from time to time on which dividends were declared in an amount stated to have been determined in relation to the Redemption Price of the Class B Shares an amount in cash equal to the deficiency in the amount of the dividends declared on such holder's shares before the date of an upward adjustment of the Redemption Price of the Class B Shares.
- (f) Any adjustments pursuant to the foregoing provisions shall be retroactive *nunc pro tunc* to the date of the issuance of the Class B Shares and to the date of the first and each subsequent redemption of Class B Shares.

29.5 Redeemable by the Company.

- (a) The Company may, upon giving notice as provided herein, redeem at any time the whole, or from time to time, any part of the Class B Shares then outstanding on payment of the Aggregate Redemption Price for each share to be redeemed.
- (b) If only part of the Class B Shares is at any time to be redeemed, the shares to be redeemed shall be selected by the Directors in their absolute discretion and need not be redeemed pro rata based on the shareholdings of such class.
- (c) If the Company desires to redeem all or any part of the Class B Shares, the Company shall before the date specified for redemption (the "**Redemption Date**"), mail to each person who, at the date of mailing, is a registered holder of the Class B Shares to be redeemed a written notice (the "**Redemption Notice**") thereof.
- (d) The Redemption Notice shall be forwarded by registered, certified or first class mail, postage prepaid and addressed to each such holder at the holder's address as it appears on the books of the Company. If the address of any such holder does not appear on the books of the Company, the Redemption Notice shall be mailed to the last known address of such holder. The accidental failure to mail the Redemption Notice to one or more such holders shall not affect the validity of the redemption.
- (e) The Redemption Notice shall set out the Aggregate Redemption Price, the Redemption Date and, if only part of the Class B Shares held by such holder is to be redeemed, the number thereof so to be redeemed.
- (f) On the Redemption Date, the Company shall pay, or cause to be paid, to or to the order of the registered holders of the Class B Shares to be redeemed, the Aggregate Redemption Price for each such share on presentation and surrender, at the Registered Office of the Company or any other place(s) in British Columbia designated in the Redemption Notice, of the certificate(s) for the Class B Shares called for redemption. Such Class B Shares shall thereupon be deemed to be redeemed and shall be cancelled.
- (g) If a part only of the shares represented by any certificate are redeemed, a new certificate for the balance shall be issued at the expense of the Company.
- (h) Payment of the Aggregate Redemption Price (less any amount required by law to be withheld by the Company) for the Class B Shares to be redeemed shall be made as determined by the Directors including by cheque payable to the holder thereof at par at any branch of the Company's bankers in Canada. Such payment and cheque shall discharge all liability of the Company for the

Aggregate Redemption Price, to the extent of the amount represented thereby, unless such cheque is not paid on due presentation.

- (i) From and after the Redemption Date the Class B Shares called for redemption shall cease to be entitled to receive dividends (as applicable) and shall not be entitled to exercise any of the rights of shareholders in respect thereof unless payment of the Aggregate Redemption Price shall not be made upon presentation of certificate(s) in accordance with the foregoing provisions, in which case the rights of the holders shall remain unaffected.
- (j) The Company shall have the right, at any time on or after the date of the mailing of the Redemption Notice, to deposit the Aggregate Redemption Price of the Class B Shares called for redemption, or of such of the Class B Shares which are represented by certificate(s) which have not at the date of such deposit been surrendered by the holders in connection with such redemption, to a special account maintained by the Company with any chartered bank or trust Company in British Columbia designated by the Company in the Redemption Notice (the “**Trustee**”) to be paid without interest to or to the order of the respective holders of such Class B Shares called for redemption upon presentation and surrender to the Trustee of the certificate(s) representing such shares. Upon such deposit being made, the Class B Shares in respect of which such deposit shall have been made shall thereupon be deemed to be redeemed and shall be cancelled. The rights of the holders thereof after such deposit shall be limited to receiving without interest their proportionate part of the total amount so deposited against presentation and surrender to the Trustee of the certificate(s) representing the Class B Shares to be redeemed. Any interest allowed on any such deposit shall belong to the Company.
- (k) Notwithstanding the foregoing, the holders of the Class B Shares to be redeemed may waive notice of any such redemption by written instrument(s).
- (l) Notwithstanding anything contained in this Part, the Company shall be under no obligation to redeem any Class B Shares to the extent that such redemption would, in the reasonable opinion of the Directors, be in violation of the laws of the Province of British Columbia or any other applicable law.
- (m) Any redemption monies that are represented by a cheque which has not been presented to the Company’s bankers for payment or that otherwise remains unclaimed (including monies held on deposit to a special account) for a period of six years from the Redemption Date shall be forfeited to the Company.

29.6 Retractable by the Holder.

- (a) Any holder of Class B Shares may, at the holder’s option, at any time after giving notice as provided herein, require the Company to redeem at any time the whole or from time to time any part of the Class B Shares held by the holder by payment of the Aggregate Redemption Price for each share to be redeemed.
- (b) If a holder of Class B Shares desires the Company to redeem any of the holder’s Class B Shares, the holder shall, at least 60 days before the date specified for redemption (the “**Retraction Date**”), give to the Company, at its Registered Office, written notice thereof (the “**Retraction Notice**”).
- (c) The Retraction Notice shall set out the Retraction Date and, if only part of the Class B Shares held by such shareholder is to be redeemed, the number thereof so to be redeemed.
- (d) On the Retraction Date, the Company shall pay or cause to be paid, to the order of the registered holder of the Class B Shares to be redeemed, the Aggregate Redemption Price for each such share, on presentation and surrender at the Registered Office of the Company of the certificate(s) for such shareholder’s Class B Shares to be redeemed.

- (e) Payment of the Aggregate Redemption Price (less any amount required by law to be withheld by the Company) for the Class B Shares to be redeemed shall be made as determined by the Directors including by cheque payable to the holder thereof at par at any branch of the Company's bankers in Canada. Such payment and cheque shall discharge all liability of the Company for the Aggregate Redemption Price, to the extent of the amount represented thereby, unless such cheque is not paid on due presentation. Such Class B Shares shall thereupon be deemed to be redeemed and shall be cancelled.
- (f) From and after the Retraction Date, the Class B Shares so redeemed shall cease to be entitled to receive dividends (as applicable) and shall not be entitled to exercise any of the rights of shareholders in respect thereof unless payment of the Aggregate Redemption Price shall not be made upon presentation of certificate(s) in accordance with the foregoing provisions, in which case the rights of the holder shall remain unaffected.
- (g) If a part only of the shares represented by any certificate are redeemed, a new certificate for the balance shall be issued at the expense of the Company.
- (h) If a holder of Class B Shares gives a Retraction Notice but fails to present the certificate(s) for such holder's Class B Shares to be redeemed on the Retraction Date, the Retraction Notice given by such holder shall be null and void and the Company shall have no obligation to make the redemption called for in the Retraction Notice. Notwithstanding the foregoing, the Company shall have the right to proceed with the redemption notwithstanding such failure. If the Company elects to proceed, the Company shall deposit the Aggregate Redemption Price for the Class B Shares to be redeemed in a special account maintained by the Company with a Trustee, to be paid without interest to or to the order of the holder of such Class B Shares upon presentation and surrender to the Trustee of the certificate(s) representing such shares. Upon such deposit being made, the Class B Shares in respect of which such deposit shall have been made shall thereupon be deemed to be redeemed and shall be cancelled. The rights of the holder thereof after such deposit shall be limited to receiving without interest the amount so deposited against presentation and surrender to the Trustee of the certificate(s) representing the Class B Shares to be redeemed. Any interest allowed on any such deposit shall belong to the Company.
- (i) If the Company shall fail to redeem any Class B Shares required to be redeemed by it within 30 days of the Retraction Date, then until such time as the Company shall have redeemed all such shares so called for redemption, the dividend payable to the holders of the Class B Shares to be redeemed shall thereafter be preferential and cumulative computed from the Retraction Date.
- (j) Notwithstanding anything contained in this Part, the Company shall be under no obligation to redeem any Class B Shares to the extent that such redemption would, in the reasonable opinion of the Directors, be in violation of the laws of the Province of British Columbia or any other applicable law.
- (k) Any redemption monies that are represented by a cheque which has not been presented to the Company's bankers for payment or that otherwise remains unclaimed (including monies held on deposit to a special account) for a period of six years from the Retraction Date shall be forfeited to the Company.

29.7 Specified Amount.

For purposes of subsection 191(4) of the *Income Tax Act* (Canada), the specified amount in respect of the Class B Shares shall be equal to the Redemption Price, which shall be determined by the Directors at the time of the issuance of the Class B shares.

Any director may call a meeting of the board by giving notice stating the time and place of the meeting to each of the directors. Except as otherwise required by the Act, such notice need not specify the purpose of or the business to be transacted at the meeting. Notices of board meetings shall be given in accordance with Section 7.01 no less than 48 hours before the time of the meeting, except that notices sent by mail shall be sent no less than 5 days before the day of the meeting.

The board may appoint, by resolution, dates, times and places for regular meetings of the board. A copy of any such resolution shall be given to each director forthwith after being passed, but no other notice is required for any such meeting except where the Act requires the purpose of or the business to be transacted at a meeting to be specified.

2.02 Meetings Without Notice

A meeting of the board may be held without notice immediately following the first or any annual meeting of shareholders.

2.03 Place of Meeting

A meeting of the board may be held at any place within or outside Canada.

2.04 Quorum for Board Meetings

At any meeting of the board, a quorum for the transaction of business shall be a majority of the number of directors in office from time to time.

The board shall not transact business at a meeting of directors unless the minimum number of resident Canadian directors required by the Act is present.

2.05 Participation by Communications Facility

A director may, in accordance with the Act and if all directors consent, participate in a meeting of the board or of a committee of the board by means of a telephonic, electronic or other communication facility that permits all participants to communicate adequately with each other during the meeting. A director participating in such a meeting shall be deemed to be present at that meeting.

2.06 Chair of Board Meetings

The chair of the board shall preside as chair of all meetings of the board. If there is no chair of the board or if the chair is not present or is unwilling to act as chair of a board meeting, then the president of the Corporation, if

2.09 Officers

Each officer shall hold office at the pleasure of the board. Any officer may, however, resign at any time by giving notice to the Corporation.

PART 3

MEETINGS OF SHAREHOLDERS

3.01 Notice of Shareholders' Meetings

The board may call a meeting of shareholders by causing notice of the time, place and, when required by the Act, purposes of the meeting to be given to each shareholder entitled to vote at the meeting, each director and the auditor. Subject to any applicable securities law or policy, such notice shall be given no less than 21 days and no more than 60 days before the meeting if the Corporation is a distributing corporation (as defined in the Act) or no less than 10 days and no more than 60 days before the meeting if the Corporation is not a distributing corporation.

3.02 Quorum at Meetings of Shareholders

A quorum at meetings of shareholders consists of one or more voting persons present and authorized to cast in the aggregate not less than one-twentieth of the total votes attaching to all shares carrying the right to vote at that meeting.

3.03 Chair of Shareholder Meetings

The chair of the board shall preside as chair of all meetings of shareholders. If there is no chair of the board or the chair of the board is not present or is unwilling to act as chair of a shareholder meeting, then the president of the Corporation shall preside as chair of the meeting if present and willing to act. In any other case, the directors present shall choose one of their number to be the chair of the meeting.

3.04 Voting

Unless the chair of a meeting of shareholders directs a ballot or a voting person demands one, each motion shall be voted upon by a show of hands. Each voting person has 1 vote in a vote by show of hands. A ballot may be directed or demanded either before or after a vote by show of hands. If a ballot is taken, a prior vote by show of hands has no effect. A ballot so directed or demanded shall be taken in such manner as the chair of the meeting shall direct. If a ballot is taken, each voting person shall be entitled with respect to each share which he is entitled to vote at the meeting upon the motion, to one vote or such other number of votes as may be provided by the articles, and the result of the ballot so taken shall be the decision of the shareholders upon the said motion. Subject to compliance with the Act, any vote at a meeting of shareholders may be taken in whole or in part by means of a

telephonic, electronic or other communication facility that the Corporation has made available for that purpose. Unless a ballot is directed or demanded, an entry in the minutes of a meeting to the effect that the chair of the meeting declared a resolution to be carried or defeated is, in the absence of evidence to the contrary, proof of the fact without proof of the number or proportion of the votes recorded in favour of or against the resolution.

3.05 Scrutineers

The chair of a meeting of shareholders may appoint for that meeting 1 or more scrutineers, who need not be voting persons.

3.06 Who May Attend Shareholders' Meeting

The only persons entitled to attend a meeting of shareholders are voting persons, the directors, the auditor and the president, if any, as well as others permitted by the chair of the meeting.

3.07 Participation By Communication Facility

Any person entitled to attend a meeting of shareholders may participate in the meeting in accordance with the Act by means of a telephonic, electronic or other communication facility made available by the Corporation that permits all participants to communicate adequately with each other during the meeting and a person participating in a meeting by such means is deemed to be present at the meeting. A meeting of the shareholders called by either the directors or the shareholders may be held entirely by means of such a telephonic, electronic or other communications facility that permits all participants to communicate adequately with each other during the meeting if the directors or shareholders calling the meeting so determine.

3.08 Adjournments

The chair of the meeting may and shall, if so directed by the meeting, adjourn the meeting from time to time and from place to place but no business shall be transacted at the adjourned meeting other than the business left unfinished at the meeting from which the adjournment took place.

PART 4

SECURITY CERTIFICATES, PAYMENTS

4.01 Certificates

Security certificates shall be in such form as the board may approve or the Corporation adopt. The president or the board may order the cancellation of any security certificate that has become defaced and the issuance of a replacement certificate for it when the defaced certificate is delivered to the Corporation or to a transfer agent or branch transfer agent of the Corporation.

4.02 Cheques

Any amount payable in cash to shareholders (including dividends payable in cash) may be paid by cheque drawn on any of the Corporation's bankers to the order of each registered holder of shares of the class or series in respect of which such amount is to be paid. Cheques may be sent by ordinary mail, postage prepaid, to each such registered holder at that holder's address as shown in the records of the Corporation, unless that holder otherwise directs in writing. The mailing of a cheque as aforesaid shall satisfy and discharge all liability for the applicable dividend or other payment to the extent of the sum represented by such cheque plus the amount of any tax which the Corporation is required to and does withhold, unless such cheque is not paid on due presentation.

4.03 Cheques to Joint Shareholders

Cheques payable to joint shareholders shall be made payable to the order of all such joint shareholders unless such joint shareholders direct otherwise. Such cheques may be sent to the joint shareholders at the address appearing on the records of the Corporation in respect of that joint holding, to the first address so appearing if there is more than one, or to such other address as those joint shareholders direct in writing.

4.04 Non-Receipt of Cheques

The Corporation shall issue a replacement cheque in the same amount to any person who does not receive a cheque sent as provided in this by-law, if that person has satisfied the conditions regarding indemnity, evidence of non-receipt and title set by the board from time to time, either generally or for that particular case.

4.05 Currency of Dividends

Dividends or other distributions payable in cash may be paid to some shareholders in Canadian currency and to other shareholders in equivalent amounts of a currency or currencies other than Canadian currency. The board may declare dividends or other distributions in any currency or in alternative currencies and make such provisions as it deems advisable for the payment of such dividends or other distributions.

4.06 Lien for Indebtedness

If the articles provide that the Corporation shall have a lien on shares registered in the name of a shareholder indebted to the Corporation, such lien may be enforced, subject to any other provisions of the articles, by the sale of the shares thereby affected or by any other action, suit, remedy or proceeding authorized or permitted by law or by equity and, pending such enforcement, the transfer of all or any part of such shares may be refused.

4.07 Interest Fractions

No dividend or other distribution shall bear interest against the Corporation. Where the dividend or other distribution to which a shareholder is entitled includes a fraction of a cent, such fraction shall be disregarded and such payment shall be deemed payment in full.

4.08 Fractional Security or Property

If any dividend or other distribution results in any shareholder being entitled to a fractional part of a security or property, the Corporation may pay such shareholder in place of that fractional part the cash equivalent thereof as determined by the board or may carry out the distribution and adjust the rights of the shareholders on any basis the board considers appropriate.

PART 5

SIGNATORIES, INFORMATION

5.01 Signatories

Except for documents executed in the usual and ordinary course of the Corporation's business, which may be signed by any officer or employee of the Corporation acting within the scope of his or her authority, the following are the only persons authorized to sign any document on behalf of the Corporation:

- (a) any individual appointed by resolution of the board to sign the specific document, that type of document or documents generally on behalf of the Corporation; or
- (b) any director or any officer appointed to office by the board.

Any document so signed may, but need not, have the corporate seal of the Corporation applied, if there is one.

5.02 Facsimile Signatures

The signature of any individual authorized to sign on behalf of the Corporation may, if specifically authorized by resolution of the board, be written, printed, stamped, engraved, lithographed or otherwise mechanically reproduced. Anything so signed shall be as valid as if it had been signed manually, even if that individual has ceased to hold office when anything so signed is issued or delivered, until revoked by resolution of the board.

5.03 Restriction on Information Disclosed

Except as required by the Act or authorized by the board, no shareholder is entitled by virtue of being a shareholder to disclosure of any information, document or records respecting the Corporation or its business.

PART 6

PROTECTION AND INDEMNITY

6.01 Transactions with the Corporation

No director or officer shall be disqualified by reason of being a director or officer of the Corporation from, or be required to vacate his position as a director or officer by reason of, holding any other office, employment or other position with or having any pecuniary interest with respect to the Corporation or any other body corporate or contracting with or being otherwise in any way directly or indirectly interested in or concerned with any contract, transaction or arrangement made or proposed to be made with the Corporation or being a director or officer or acting in a similar capacity of, or having any interest in, another party to such contract, transaction or arrangement. No such contract, transaction or arrangement shall be void or voidable for any such reason and no director or officer shall be liable to account to the Corporation or others for any profit arising from any such office, employment or other position or pecuniary interest or realized in respect of any such contract, transaction or arrangement, except in all cases as otherwise provided in the Act.

6.02 Limitation of Liability

Subject to any applicable statutory provisions, no director or officer and no other individual who acts at the Corporation's request as a director or officer, or in a similar capacity, of another entity, shall be liable for:

- (a) the acts, receipts, neglects or defaults of any other person;

- (e) any loss, damage or expense arising from the bankruptcy, insolvency, act or omission of any person with whom any monies, securities or other property of the Corporation or other entity are lodged or deposited;
- (f) any loss, damage or expense occasioned by any error of judgment or oversight; or
- (g) any other loss, damage or expense related to the performance or non-performance of the duties of that individual's office.

6.03 Contracts on Behalf of the Corporation

Subject to the Act, any contract entered into, or action taken or omitted, by or on behalf of the Corporation shall, if duly approved by a resolution of the shareholders, be deemed for all purposes to have had the prior authorization of the shareholders.

6.04 Indemnity of Directors and Officers

Subject to the limitations contained in the Act, but without limiting the right of the Corporation to indemnify any individual under the Act or otherwise to the full extent permitted by law, the Corporation:

- (a) shall indemnify each director or officer or former director or officer and each other individual who acts or has acted at the Corporation's request as a director or officer, or in a similar capacity, of another entity (and each such individual's respective heirs and personal representatives), against all costs, charges and expenses, including an amount paid to settle an action or satisfy a judgment, reasonably incurred in respect of any civil, criminal, administrative, investigative or other proceeding in which the individual is involved because of that association with the Corporation or other entity, provided:
 - (i) the individual acted honestly and in good faith with a view to the best interests of the Corporation or, as the case may be, to the best interests of the other entity for which the individual acted as a director or officer or in a similar capacity at the Corporation's request; and
 - (ii) in the case of a criminal or administrative action or proceeding that is enforced by a monetary penalty, the individual had reasonable grounds for believing that the individual's conduct was lawful; and
- (b) shall advance monies to a director, officer or other individual for the costs, charges and expenses of a proceeding referred to in Section 6.04(a) in accordance with the Act.

Notwithstanding the foregoing, any such indemnity or advance of monies in respect of an action referred to in Section 6.04(a) by or on behalf of the Corporation or other entity in respect of which an individual has acted as director or officer or in a similar capacity at the request of the Corporation to procure judgment in its favour shall be subject to approval of a court.

6.05 Indemnities Not Limiting

The provisions of this Article 6 shall be in addition to and not in substitution for or limitation of any rights, immunities and protections to which a person is otherwise entitled.

PART 7

NOTICES

7.01 Procedure for Giving Notices

Any notice (which term includes any communication or document) to be given pursuant to the Act, the articles, the by-laws or otherwise to a shareholder or other securityholder of the Corporation, director, officer or auditor shall be sufficiently given if delivered personally to the person to whom it is to be given or if delivered to the person's address as shown in the records of the Corporation or mailed to the person at such address by ordinary mail, postage prepaid, or, if the person consents, provided by electronic document in accordance with the Act. Notice shall not be sent by mail if there is any general interruption of postal services in the municipality in which or to which it is mailed. Any notice so delivered shall be deemed to have been received when it is delivered personally or at the address as aforesaid. Any such notice mailed or provided by electronic document as aforesaid shall be deemed to have been received at the time specified in the Act.

7.02 Notices to Successors in Title

Notice to a shareholder or other securityholder as aforesaid is sufficient notice to each successor in title to that shareholder or other securityholder until the name and address of that successor have been entered on the records of the Corporation.

7.03 Notice to Joint Securityholders

Notice to one joint securityholder is sufficient notice to all of them. Such notice shall be addressed to all such joint securityholders and sent to the address for them shown in the records of the Corporation, or to the first such address if there is more than one.

7.04 Facsimile Signatures on Notices

The signature on any notice or other communication or document to be sent by the Corporation may be written, printed, stamped, engraved, lithographed or otherwise mechanically reproduced.

7.05 Omission of Notice Does Not Invalidate Actions

All actions taken at a meeting in respect of which a notice has been given shall be valid even if:

- (a) by accident, notice was not given to any person;
- (b) notice was not received by any person; or
- (c) there was an error in a notice that did not affect the substance of the notice.

7.06 Waiver of Notice

Any person entitled to notice under the Act, the articles or the by-laws may waive that notice. Waiver, either before or after the event referred to in the notice, shall cure any defect in giving that notice to such person.

PART 8

REPEAL OF FORMER BY-LAWS

8.01 Former By-laws May be Repealed

The board may repeal one or more by-laws by passing a by-law that contains provisions to that effect.

BY-LAW NO. 2
